Title: CARBON DIOXIDE RECIRCULATION

RESPONSE

Date: August 28, 2007

Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313

Sir,

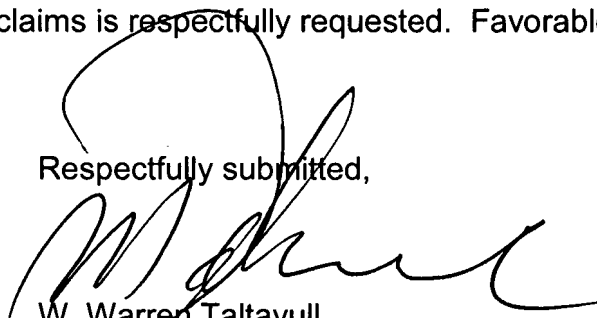

In response to the Office Communication dated August 24, 2007, for the above identified application, the applicant elects, without traverse, Invention 3, including claims 22-32 and drawn to a method of recirculating carbon dioxide, and Species 1 shown in the embodiment of Figure 2.

The claims deemed readable thereon include claims 22-26 and 28-29. Claims 27 and 30-32 are therefore withdrawn and claims 1-21 are cancelled.

Currently claim 22 is generic and if any generic claim is allowed, applicant is entitled to consideration of the claims drawn to the additional species dependent upon said generic claim.

Consideration of the foregoing claims is respectfully requested. Favorable action is respectfully solicited.

Respectfully submitted,

W. Warren Taltavull
